

GIVING LIGHT TO OUR WORLD

What better time to share GLOW than the only day in the year where people are expecting you to come to their home! Keep several things in mind: **SMILE, PUT GLOW IN HAND, KNOW THE CANVASS, WALK FAST**, and **PRAY PRAY PRAY!**

Here is a short example of what you could say to someone:

Hi, my name is _____ and this is my friend _____. Every year you have given to the community when someone has come to your door. This year, we would like to give a gift to you! Here is a small gift for you! ***Hand them the GLOW Tract*** God Bless!

Before we go, is there anything you would like us to pray for?
